

# Want Change? Volunteer and Get Involved!

If you're ready to work together to bring forth positive change in your business and in your life, then RAPB is looking for you. Are you interested in working toward the betterment of the real estate industry, the Association and its members? Check out the vast opportunities below, check the committee(s) that you're interested in, fill out the form and fax to 561-585-4348. ***Make a difference: be part of your great association!***

**Awards Committee**

- Review each RAPB award and select recipients for REALTOR® of the Year, Rising Star Award, Community Service Award, Affiliate of the Year, Presidential Awards (determined by the RAPB President), Recommend candidates for state awards

**Community Outreach Committee**

- Explore partnerships with civic organizations that provide opportunities for member involvement, including Habitat for Humanity, Junior Achievement and the Red Cross
- Promote the images of REALTORS® and real estate profession
- Create new and affordable housing opportunities; provide housing opportunity training programs to educate the public; participate in Fair Housing public outreach education efforts

**Florida Realtors® PAC Fundraising Committee**

- Develop programs and activities for member participation
- Raise funds to support local, state and national REALTOR® issues

**Global Business Committee**

- Formulate plans in the international real estate market
- Develop programs and activities that relate to international real estate
- Assist the national and state associations in delivering international real estate initiatives
- Develop partnerships and effective working relationships in international real estate and participate in trade missions

**Government Affairs Committee**

- Proactively represent the interests of the Association and its members, promote and preserve the rights of private property ownership
- Work with the state and national associations on legislative issues, and communicate issues to local communities and REALTORS®

**Professional Development Committee**

- Develop member education, training and professional needs, promote the REALTOR® professional designations and provide training that results in business success

**REALTOR® Relations Committee**

- Develop programs and activities that will maximize funds available to assist members in need and establish specific events for each individual case
- Explore, promote and build membership communities that provide member outreach

**Young Professionals Network (YPN)**

- Provide networking, education and leadership opportunities for the next REALTOR® generation in order to enhance their experiences with the Association
