Welcome to the Realtors® Association of the Palm Beaches (RAPB) and thank you for your interest in becoming a member. As your association, we look forward to providing you with the technological tools and education that you need to build your real estate career. When you need more than technology can deliver, our team is ready and waiting to provide you with personal support to empower your success.

As an applicant, you are required by the National Association of REALTORS® (NAR) to complete the Code of Ethics training of not less than two hours and thirty minutes of instructional time. Failure to satisfy this requirement within sixty (60) days of the date of your application will result in the termination of your membership and the need to reapply for membership.
