

DISCLOSURE

Prospective purchasers and lessees of real property in "The Acreage" area of Palm Beach County, Florida, should understand that based on an initial study, the Florida Department of Health and the Palm Beach County Health Department have determined that residents in this area have suffered increased rates of total cancers. The Florida Department of Health has determined that the area requires additional study and the initial inquiry is being broadened. Many articles concerning this area have appeared and continue to appear in local newspapers and there is wide coverage by local television and radio. Official information can be obtained from the Palm Beach County Health Department by visiting its web site at www.pbchd.com and clicking on "Acreage Investigation."

This disclosure is made to the undersigned purchaser(s) or lessee(s) ("Purchaser/Lessee") **FOR INFORMATIONAL PURPOSES ONLY** and is not intended to create any warranty as to the accuracy of the information herein provided or the accuracy of information appearing in any news source or provided by the Palm Beach County Health Department.

Prior to entering into a contract to purchase or a lease of property in the Acreage area, Purchaser/Lessee should investigate by reviewing all available sources of information including information provided by the Palm Beach County Health Department.

This disclosure has been provided by _____
("Realtor®").

Purchaser/Lessee acknowledges receipt of this disclosure from Realtor®.

Purchaser/Lessee has not relied and will not rely on any statement or information provided by Realtor® as to the matters described herein.

Purchaser/Lessee will make any and all determinations about the safety of the property based on the separate and independent inquiry of Purchaser/Lessee.
